## good morning bridge

Hello Everyone!

I hope you managed to seize the day on Tuesday as weather was really nice and the tournament was scheduled in the evening only. Some swimming, sunbathing or a simple relaxation to charge the batteries for the main events.

We have hit some record numbers this year for all tournaments so far. We have players from 40 different countries and we are 20% above the record 2007 year and we have somehow approached the tournament capacity limits. Please keep that in mind and register for tournaments as soon as possible because the registrations will be closed once the limit is reached.

Tuesday evening we played Lara Ruso mixed and non-mixed pairs tournaments with almost 300 pairs combined.

Mixed field has seen 170 pairs competing and young Polish superstars taking the gold:

1	<b>Justyna Zmuda - Michal Klukowski</b>	<b>64.93</b>
2	Marina Pilipovic - Ognjen Stanicic	64.30
3	Justyna Duszynska - Kamil Nowak	64.27

Non-mixed tournament was played at the same time fielding 122 pairs. Here the top results were sky rocketing as 67% was not enough for a medal. In the end, Austrian-Hungarian combination took the gold .

1	<b>Dieter Schulz - Dani Viktor</b>	<b>69.45</b>
2	Georgi Stamatov - Diyan Danailov	69.18
3	Zygmunt Dumala - Andrzej Kondeja	68.84

Congratulations to all!

On Wednesday we started our Open Teams event and we fielded, a record again, 129 teams. The action will go on for two days except that A group will have their finals Friday afternoon so all not playing in the A group are welcome to kibitz either live or on BBO the final matches of the tournament.

And get ready, Brk Open pairs are on the way!

**So let's continue!**

## UPCOMING EVENTS

by SchTsch

### OPEN TEAMS

The middle of the Festival means that we are ready for the main events. We start our Open teams tournament on Wednesday and finish with A group playing additional three rounds on Friday. As always, we have a prize for each group winner and special prizes for different categories, so there is no reason not to give your best until the very end.

Rules and regulations for this tournament are just like the software usage license agreements – you never read them until you need them, but please read the rules for the team registration and category descriptions. Leave the rest to us.

### SPECIAL CONDITIONS OF CONTEST

A team consists of 4-6 players. 5th and 6th player can be added later. CTD can exceptionally allow a 7th player or substitute(s)

The same player cannot, if not permitted by tournament committee, play for 2 teams.

Bidding boxes and bridge mates are used, and top 4 (5) tables use screens. All sessions are played with duplicated boards.

Special categories (for the prizes):

- a. mixed team = at least 2 female players, at least 2 male players
- b. women's team = all ladies in the team
- c. junior team = players up to 25 years (born 1991 or later)
- d. senior team = players minimum 65 years (born 1951 or earlier)
- e. foreign team = all players from same country, not Croatia
- f. Cro-international team = at least 2 players from Croatia and at least two foreign players
- g. international team = players from at least two different countries, excluding Croatia

In the tournament, a team can be in Bye only once (Bye in the group during RR of open teams does not count)

### FIRST SESSION

Before the tournament starts, the organiser determines 1st and 2nd seeded. Then the draw forms groups of 4 teams. To all teams their competition numbers are given, by draw. Round Robin is played, 3 rounds of 8 boards, IMP/VP-new scale up to 20:0. In uncomplete groups Bye is 12 VPs, +5 IMPs. After the RR the ranking in a group is determined considering:

- a. total VPs
- b. VPs of a direct match
- c. total IMPs
- d. IMPs of a direct match

After first session, total 75% of total VPs and 0 imps are carry-over.

### SECOND SESSION

A Team that registered too late can join the tournament after the RR with 20 VPs.

2 teams with the best ranking from every group go to A group, and the rest to B group.

3 rounds of "Danish" are played, 8 boards each, IMP/VP-new scale up to 20:0.

Criteria for determining standings after first 2 rounds of sessions 2 and 3:

- a. total VPs
- b. total IMPs
- c. lower competition number

Criteria for determining standings after the 3rd round of sessions 2 and 3:

- a. total VPs
- b. total IMPs
- c. VP of the direct match (if more than one match, average of VPs)
- d. IMP of the direct match (if more than one match, average of IMPs)
- e. draw

### THIRD SESSION

After the end of the 2nd session a certain number of teams (pre-arranged) form group A (around 50% of the teams from the former group A and several top teams from the former group B), and the rest play in group B.

3 rounds of "Danish" are played, 8 boards each, IMP/VP new scale up to 20:0.

### FOURTH SESSION

After the end of the third session 2 main and n consolation groups are formed.

A group = 8 top teams + 2 top team from B

B group = all the other teams from A + several best teams from B

Consolation groups = n groups, 8 teams each

3 rounds of "Danish" are played, 8 boards each, new scale IMP/VP up to 20:0.

Criteria for determining the final standings:

- a. total VPs
- b. total IMPs
- c. sum of VPs of all opponents
- d. share the place and the prize

## FIFTH SESSION

- Only group A plays

3 rounds of "Danish" are played, 8 boards each, new scale IMP/VP up to 20:0.

Criteria for determining the final standings:

- total VPs
- total IMPs
- sum of VPs of all opponents
- share the place and the prize

## INTERVIEW

### ALON BIRMAN

*You are a famous bridge professional now, but we'd like to hear a bit on how you started playing bridge?* *Have you been in the sea? It's much colder than in Israel?*

I come from a bridge family so I learned practically everything from my father when I was 15. He was also the coach of the junior team. I never attended a bridge class, which I actually don't know whether is good or bad.

In Israel it's warmer but I like it when it's cold, it gives you the shock to wash all the negative thoughts you have and start a new day.

*You mentioned just your father, what about your mother?*

Well my father was the coach, but my mother also had a great influence on my game. She is also a national team player so we have a lot of bridge discussion in the house.

*Are you fighting?*

I used to play with my father a long time ago, so I wouldn't say yes, but there was a hot temperature at the table. Which is good because you want to improve yourself.

*What is your favourite result?*

I would say winning Israeli Junior World Championships in the States and winning the two US national events in the last two years.

*How do you like the life of a bridge professional? What do you like, what do you dislike?*

I love playing, I love travelling around the world, I love that I have a lot of friends in almost every city and country I've been. I love the atmosphere of the tournament, the adrenalin, fighting in a good sense at the bridge table. For downsides, I would say I'm still not getting it, but travelling for 150-200 days a year sometimes can be not as easy as expected when the bridge is not going well.

*A lot of girls told me that I have to ask you this, are you single?*

Single, but playing hard to get. :-)

*How do you like the Pula festival?*

It's my first time here, I'm only here for two days, but I already love the place. I love the structure that you have the whole day until the afternoon to go to the beach and play tennis and just hang out. Also this is a long teams event which is nice. Good food, nice people, what else do you need?

*How would you describe the festival in general?*

Well it is quite similar to Eilat festival I am organising. Tel Aviv at the Mediterranean sea is hot, but Eilat is closer to Pula. If I were brave enough I would say that Pula is the second best festival in the world, but Tihana looks very dangerous so skip this. :-)

The two festivals share the same concept, a lot of bridge, but also a plenty of time for other activities since the bridge starts in the afternoon. I know that some players here in Pula will be in Eilat also.

*Do you have a favorite opponent? Someone you really like to play against and compete?*

I have a few, usually good friends, we have a good atmosphere at the table but hard competition.

*Looking at the future, what tournament are you really eager to win? Apart from all of them, of course.*

All of them, sure, but I love to win a medal for my country and I would love to win a big national event in the States. But mostly winning Pula with team Dumbovic.

## Bid or Pass

By SchTsch

Bridge auction is a simple game. You bid when you have something and pass when you have nothing. Or sometimes you pass when you have something and bid when you have nothing. Or even do both at the same time. But you either bid or pass. As simple as that.

You pick up a nice collection of nothing: ♠ Q 8 5 2 ♥ 7 5 2 ♦ J 9 3 ♣ 7 6 5, and hear your partner open 2 hearts as a dealer non-vulnerable vs. vulnerable showing two-suiter with hearts passed to you. Bid or pass? Let's bid. We do have fit in hearts so we could simply raise the suit and steal some space since your LHO is probably very strong. But then again, that's a bit too simple. So you bid 3 clubs, pass/correct for a minor. Your LHO bids 3 spades and the tray is back to your partner.

Now you pick up your partner's hand and find yourself holding:

♠ 7 4 ♥ A 10 9 6 3 ♦ Q 2 ♣ A J 4 3. You opened your heart two-suiter, your partner retreated to minors and RHO bid 3 spades. Bid or pass? Seems that you already bid your hand, but then again, if you pass, how will your partner know your second suit? Does your partner care for your second suit? Who cares. You bid 4 clubs to be on the safe side.

Well, four clubs gets passed out and then goes silently seven down undoubled as the whole deal looks like this:

W  
NS

♠ 6 3  
♥ K Q J 8  
♦ K 10 8 6 4  
♣ 10 9

♠ 7 4  
♥ A 10 9 6 3  
♦ Q 2  
♣ A J 4 3

♠ Q 8 5 2  
♥ 7 5 2  
♦ J 9 3  
♣ 7 6 5

♠ A K J 10 9  
♥ 4  
♦ A 7 5  
♣ K Q 8 2

As we can see, passing 2 hearts could lead to a final contract of 2 hearts doubled when South doubles in pass-out and North happily passes with the heart stack. That's -1100. Bidding their clubs twice EW managed to push North out of the bidding and although offering -1700 if doubled, they managed to escape with -350 and +7 IMP against a dull vulnerable game in the other room.

It's a bidders game!
